Attorney's Docket No. 10274-006002

REMARKS

Claim 56 has been amended to depend from claim 43 (from which claim 56 should clearly logically depend), rather than claim 44. Claims 7, 36, 44 and 54 have been amended to specify the residues of SEQ ID NO:8 that make up LFA3TIP as disclosed in the specification. No new matter has been added.

Applicants respectfully request entry of the present amendment. The amendments to the claims merely fix an obvious mistake in antecedent basis or specify the amino acid residues of SEQ ID NO:8 as recited in the claims. Please apply any charges or credits to Deposit Account No. 06-1050.

Respectfully submitted,

Date: 19 February 2004
